Techno-Grip

Elastic Bandages with Single Velcro Closure

The economical **Techno-Grip Elastic Bandage** fastens with a single hook-n-loop (Velcro) closure. These bandages provide non-slip compression and support without the need for pins, clips, or tape.

Features:

- ~ Single 1" Velcro closure strip
- ~ Balanced support & maximum non-slip compression
- ~ Strong enough for laundering and repeated use (Non-Sterile)
- ~ Made from a premium cotton and elastic blend
- ~ Premium knitted construction
- ~ Latex-Free

Product #	Description
